- **Goal** : Get introduced to the Project
- **Attendees / Stakeholders** : Mr Khoushik Reddy Ananth, Aditya Acharya, Amey Choudhary, Chitturi Meghana Sai Rama Lakshmi , Obbineni Sai Nikhita

Type	Description	Owner	Deadline
Tasks	UI Screens	Aditya, Amey, Meghana	Next Meeting
	User Stories	Nikhita	Next Meeting
Decisions	For Frontend - React	-	-
	For Backend - Node	-	-
	For Query - GraphQL	-	-
Information	A pipeline current exists in Ask Agastya that allows users to call a number and query in their vernacular language	-	-
	The queries will be regarding seeking blue collar jobs	-	-
	A Job poster will post current vacancies via a web app	-	-
	A job seeker will seek these vacancies by calling a toll-free number, give his details in vernacular.	-	-
	Currently available jobs will be listed out to the seeker in their vernacular.	-	-
	If they show interest, the job poster and the job seeker are connected	-	-
	The web app should mimic and improve upon features of Naukri.com & UrbanClap	-	-

- **Next Meeting** : 01-02-2023
