- **Time**: 11:00 am
- **Topic**: To discuss project resources
- **Attendees:** Amey, Aditya, Nikhita, Khoushik, Akanksha

Type	Description	Owner	Deadline
Information	We had met to clarify doubts for resources related to project. The queries were: 1. ASR api was giving output in English for vernacular languages. We were asked to get new apis from Syed Sir 2. Language detection won't be there. Initial prompt in English which asks for users language. 3. We don't need to extract information. Work under assumption single word input given. 4. Clarified the exact flow for the toll free pipeline. 5. Were asked to get free IVRs.
